

## Super Saracens Swim Squad at Tadpoles 2022

After three years we saw the very welcome return of the Tadpoles gala to Grand Central, Stockport.

The Super Saracens Swim Squad were on form with every single swimmer achieving one or more PBs. Not only that but the squad were extremely supportive of each other and were a delight to be with; they were all a real credit to the club and to their parents and I was very proud of each and every one of them.

Results below but we also have to have a special mention for our guest swimmers in the Cannon relay on the last day; we could not field a complete team so we “borrowed” swimmers from Poynton Dippers and Wilmslow Scorpions – a special thanks to Noah, Freddy and Lucas for helping us come fourth in the Cannon relay and being honorary Saracens members for the day.
